 (A) carry      (B) fetch      (C) take      (D) bring

### Part III: 閱讀測驗 (44%)

#### 1. A Fun Way to Recycle

If you run out of interesting things to do on the weekend, try shopping at area flea markets. These markets offer a variety of goods, many of (1) were thrown out by their previous owners. (2) the saying goes, "One man's trash is another man's treasure." You never know what you are likely to find at these "junk" sales. Items ranging from antique china to ratty old furniture can be found in (3) at these fairs.

Places such as these are usually open until about noon, but since the early bird gets the worm, you are (4) to get your best deals early in the morning. Not only at local flea markets (5) good deals on "junk," but you can also see vendors selling used goods throughout town. Buying these used

goods, (6) they are priceless antiques or worthless trinkets, is a fun way to recycle. It is (7) what someone else threw away as useless.

1. (A) them (B) that (C) whom (D) which
2. (A) Because (B) For (C) As (D) Since
3. (A) harmony (B) abundance (C) process (D) common
4. (A) bound (B) obliged (C) equal (D) certainly
5. (A) you will find (B) can you find (C) find you (D) that you find
6. (A) no matter (B) regardless (C) whether (D) as if
7. (A) applying to (B) living up to (C) getting rid of (D) making use of

## 2. Curiosity

Curiosity is often silly, and sometimes it is wrong. People with nothing better to do (1) curiosity about what their neighbors are doing. They want to know what they are eating, what they are bring home, or why they have come home so late. Curiosity about these things is silly because they are trivial. It is no business of theirs (2) their neighbors do. Such curiosity is not only foolish, but it sometimes even causes harm. For it generally leads to gossip which often gives (3) to scandal and hurts innocent people.

(4) the other hand, there is a noble curiosity – the curiosity of wise men, who wonder at all the great things God has made and try to find out as much as they (5) about them. Columbus could never have found America (6) curious. James Watt would not have made the steam engine (7) his curiosity about the raising of the kettle lid. All the discoveries of science have been (8) man's curiosity, but the curiosity is never about unimportant things which have little concern with the welfare of the public.

1. (A) being filled of (B) are filled of (C) being full of (D) are full of
2. (A) that (B) which (C) what (D) how
3. (A) rouse (B) arouse (C) arise (D) rise
4. (A) On (B) By (C) In (D) Over
5. (A) can (B) may (C) will (D) should
6. (A) if he weren't (B) had he not been  
(C) should he be not (D) if he had not

7. (A) if there hadn't been for (B) had he not been  
(C) without (D) if it were not for
8. (A) because (B) due to (C) owing to (D) thanks to

### 3. The Moulin Rouge

On October 5, 1889, the famous Paris nightclub, the Moulin Rouge, opened its doors for the first time. It was the hottest spot in town and hundreds of people clamored at its doors vying for (1)\_. The Moulin Rouge was the "rendezvous du high life" (the meeting place of high-class people). The elite of Paris society gathered within the nightclub's walls to enjoy the (2)\_ shows and ambiance. The atmosphere of the Moulin Rouge was so awe-inspiring that the artist Toulouse Lautrec (3)\_ it in many of his paintings.

The Moulin Rouge was a combined dance hall and cabaret. Dancers danced the celebrated cancan (4)\_ the sound of a live orchestra. The building (5)\_ a massive dance floor, mirrored walls, and a fashionable gallery. In the garden (6)\_ an outdoor stage and an enormous wooden elephant. There were also donkeys that ladies would ride after removing their stockings.

The Moulin Rouge is still (7)\_ today, but its splendor is now for the tourists of the world who pop in for the nightly shows.

1. (A) enter (B) admit (C) admittance (D) admission
2. (A) gloomy (B) sullen (C) gross (D) spectacular
3. (A) attracted (B) rejected (C) captured (D) defied
